

AHCCCS CLAIMS CLUES

Publication of the AHCCCS Claims Department
Special Edition – September 2007

Effective 10/1/2007, AHCCCS will accept only “Red Forms”

Beginning 10/1/2007, AHCCCS will expect any providers (except Home and Community Based Services providers) submitting PAPER claims to use only the “red forms”. This includes both UBs and 1500s. Our current imaging system accepts the red forms with less manual intervention, less keying errors and more timely adjudication.

Thanks so much for your cooperation.
